INDEPENDENCE

SIXTH ANNUAL REPORT

OF THE

Commissioner of Banking

BEING THE

Ninth Annual Report of the Banking Department of the Commonwealth of Pennsylvania, for the Year 1900.

Hon. William A. Stone, Governor of Pennsylvania:

Sir: In accordance with section twelve of the act creating this Department, I have the honor to transmit herewith the report of the condition of the Building and Loan Associations, Homestead Loan and Trust Companies of this Commonwealth, together with the report of the Foreign Building and Loan Associations doing business therein.

The following exhibits the assets, liabilities, receipts and disbursements, number of borrowing and non-borrowing shares and whole number of shares, number of shareholders, and number of homes built or purchased; showing the difference between the years 1899 and 1900, as per reports made to this Department by 1,155 associations chartered under the laws of this State.

The following acts of Assembly affecting building and loan associations—foreign and domestic—were passed during the recent session of the Legislature and have become laws:

AN ACT

Regulating foreign mutual savings fund or building and loan associations doing business within this Commonwealth, and prescribing an annual license fee to be paid by such associations.

Section 1. Be it enacted, &c., That from and after the first day of September, one thousand nine hundred and one, no mutual savings fund, building, building and loan, or co-operative loan association or corporation, or other association, company or corporation, by whatsoever name it may be called, claiming to have the right under its charter to take premiums for the preference or priority of loans, incorporated under the laws of any other State or foreign government, shall do any business within this Commonwealth, without having fully complied with the requirements of this act, and without first having received a certificate from the Commissioner of Banking, certifying that it has fully complied therewith, and authorizing it to do business in this Commonwealth; and no person shall act as agent, solicitor or local treasurer of any such association, company or corporation, within this Commonwealth, in any manner whatsoever relating to the sale of stock of such association, company or corporation, soliciting subscriptions or receiving payments therefor, soliciting applications for loans or receiving payments on account of dues, fines or premiums upon stock or loans, or in any manner relating to the business usually transacted by such association, company or corporation, until such association, company or corporation shall have received such aforesaid certificate from the Commissioner of Banking, and until such agent, solicitor or local treasurer shall himself have received a certificate from said Commissioner, authorizing him to act on behalf of such association, company or corporation: Provided, That any such association, company or corporation, doing business within this Commonwealth prior to the first day of September, one thousand nine hundred and one, and having prior to said date stock and loans, or either thereof, outstanding in this Commonwealth, may continue, either directly or through its agents, to collect installments, interest, dues and premiums thereon; but the issuing of any new stock, soliciting subscriptions therefor, placing new loans, or soliciting applications therefor, or receiving payments on account of installments, dues, fines, interest or premiums upon such new stock or loans, or transacting any other business within this Commonwealth other than such as relates to stock issued or loans made prior to said date, shall be deemed a violation of this section.

Section 2. No association, company or corporation described in the first section of this act shall be authorized by the Commissioner of Banking to do business within this Commonwealth until it shall satisfactorily appear to said Commissioner that such association, company or corporation is solvent, and has deposited with some trust company of this Commonwealth, to be approved by said Commissioner, the sum of at least one hundred thousand dollars in bonds of the United States, of the State of Pennsylvania, or of cities, counties, boroughs or school districts of this Commonwealth, as security for the creditors and shareholders thereof residing in this Commonwealth. None of the securities so deposited shall be withdrawn by any such association, company or corporation without the permission of said Commissioner, in writing and under the seal of his office, and no such withdrawal shall be permitted which will reduce the amount so deposited to less than the sum of one hundred thousand dollars. Exchanges of such bonds may be made, from time to time, with the approval of the Commissioner of Banking; and if any of said bonds are called in for payment, the proceeds thereof shall remain in the hands of the depositary until other bonds of the classes above mentioned shall be substituted, in like amount, for the bonds so paid, whereupon such depositary shall, with the permission in writing of the said Commissioner, pay over such proceeds to the association, company or corporation depositing said bonds. When any such association, company, or corporation shall desire to discontinue its business within this Commonwealth, it may apply to the court of common pleas of Dauphin county, by petition, setting forth its resources and liabilities within and without this Commonwealth, and particularly its liabilities to creditors and shareholders within this Commonwealth; and thereupon, after due hearing, of which hearing the Commissioner of Banking shall have such notice as the said court may determine, the said court may make such order as will permit the withdrawal of said bonds or a part thereof, and will at the same time fully protect the rights of all creditors and shareholders of such association, company or corporation residing in this Commonwealth. Trust companies, acting as depositories under this section, shall pay over the income of the bonds deposited with them, as aforesaid, to the association, company or corporation depositing them, and shall make report in writing, signed and sworn to by the president or treasurer thereof, to the Commissioner of Banking, semi-annually, on the first day of January and first day of July in each year, setting forth the amounts and kinds of bonds deposited with them, as aforesaid, and by what association, company or corporation the same have been deposited; and for failure to make such report within thirty days after the time fixed, as aforesaid, for making such re-

ports, such trust company shall be liable to a penalty of fifty dollars, to be recovered in the name of the Commonwealth as other penalties are by law recoverable, and the amount so recovered shall be paid into the State Treasury. The trust company selected by any such association, company or corporation as its depositary of bonds, under this section, may be changed from time to time by such association, company or corporation, with the approval in writing of the Commissioner of Banking.

Section 3. Any association, company or corporation described in the first section of this act, desiring a certificate authorizing it to do business within this Commonwealth, shall present to the Commissioner of Banking its application, under its seal, therefor, accompanied by a statement, subscribed and sworn or affirmed to by its president or other principal officer and its treasurer, setting forth, in such form and in such detail as the said Commissioner may prescribe, its resources and liabilities; and said Commissioner may, before issuing such certificate, require such further information, under oath or affirmation, as he may deem necessary for the purpose of fully ascertaining the solvency of such association, company or corporation; and such application shall be further accompanied by a fee of one hundred dollars, which fee said Commissioner shall, immediately upon the issuing of such certificate, pay into the State Treasury. No such association, company or corporation shall receive such certificate, authorizing it to do business within this Commonwealth, or do business therein, until it has filed with said Commissioner a written stipulation under its seal, agreeing that any legal process affecting such association, company or corporation, served on the Commissioner of Banking or a person designated by him, or an agent designated in said stipulation to receive service of process for said association, company or corporation, shall have the same effect as if actually served on such association, company or corporation within this State; and if such association, company or corporation should cease to maintain such agent in this State, so designated, such process may thereafter be served on the Commissioner of Banking or on the person designated by him; but so long as any liability of such stipulating association, company or corporation to any resident of this State continues, such stipulation shall not be revoked or modified, except that a new one may be substituted, for the purpose of designating a different person to receive such service of process; and the term process, as used herein, shall include all process whatever, whether mesne or final, and all rules, notices, orders or decrees in any judicial proceeding whatsoever, within this Commonwealth. And any such process may be served in any county of this Commonwealth in which the president or other principal officer, secretary, treasurer or general manager, of such association,

company or corporation, or the Commissioner of Banking, the person designated by said Commissioner, or the agent designated in said stipulation to receive service of process for such association, company or corporation, resides or may be found; and for the purpose of effecting such service, the sheriff, constable, or other officer to whom such process is directed, may deputize the sheriff, constable, or other officer, in the county in which such president or other principal officer, secretary, treasurer or general manager, the person designated by the Commissioner of Banking, or the agent designated in said stipulation, resides or may be found, or of the county in which the office of the Commissioner of Banking is located, to serve the same; and the fees of the officer serving such process shall be the same as are by law allowed for the service of similar process in other cases, together with mileage allowed by law in such cases, the distance to be computed from the residence of the officer serving or executing such process, and no further.

Section 4. Any association, company or corporation, described in the first section of this act and authorized to do business within this Commonwealth may, from time to time, designate to the Commissioner of Banking, in writing and under its seal, any agents, solicitors or local treasurers whom it desires to have authorized to do business for it within this Commonwealth; and thereupon the said Commissioner shall issue a certificate to each of said agents, solicitors or local treasurers, authorizing him to act on behalf of such association, company or corporation. A fee of one dollar shall be paid to the Commissioner of Banking for every such certificate. Each certificate issued under this section shall expire at the end of one year from its date, and may, upon the payment of a like fee, be renewed from year to year, until said Commissioner has been notified that the authority of such agent, solicitor or local treasurer has been revoked by the association, company or corporation appointing him. All fees collected by the Commissioner of Banking under this section shall be paid by him into the State Treasury.

Section 5. Every association, company or corporation described in the first section of this act and authorized to do business within this Commonwealth shall, annually, upon the first Monday of May, pay into the State Treasury a license fee of one hundred dollars; and in case of neglect or refusal by any such association, company or corporation to pay the same, as aforesaid, into the State Treasury, at the time aforesaid, the Auditor General shall settle an account against such association, company or corporation for the amount due and payable by it as aforesaid, and shall proceed to collect the same, in the same manner and under the same penalties as are provided for the collection of taxes and penalties under existing laws.

Section 6. Whenever it shall appear to the Commissioner of Bank-

ing that any association, company or corporation, described in the first section of this act and authorized to do business within this Commonwealth, is insolvent or is conducting its business fraudulently, or is in any manner doing business contrary to the laws of this Commonwealth governing domestic building and loan associations, it shall be the duty of said Commissioner to communicate the facts to the Attorney General, whose duty it shall then be to apply to the court of common pleas of the county of Dauphin, or in vacation to any of the judges thereof, for an order requiring said association, company or corporation to show cause why its certificate, authorizing it to do business within this Commonwealth, should not be revoked. Upon the return of said order, the said court shall hear the allegations and proofs of the respective parties, and if it shall thereupon appear that said association, company or corporation is insolvent or is conducting its business fraudulently, the said court shall make an order revoking such certificate; but if it shall appear that such association, company or corporation is doing business contrary to law, but without any fraudulent intent, the said court may either revoke such certificate or make such other order as to it may seem meet and proper. Immediately upon the granting by said court of any order revoking the certificate authorizing any such association, company or corporation to do business within this Commonwealth, it shall be the duty of the Commissiner of Banking to revoke all certificates granted to agents, solicitors or local treasurers of such association, company or corporation, and to notify, in writing, such agents, solicitors and local treasurers of such revocation.

Section 7. Any association, company or corporation described in the first section of this act, doing business within this Commonwealth without having first received from the Commissioner of Banking a certificate authorizing it so to do, or, having received such certificate, doing business within this Commonwealth after five days from the date of mailing a notice of the revocation of such certificate by the Commissioner of Banking to the principal office of such association, company or corporation, shall be subject to a penalty of five hundred dollars for each month or fraction thereof during which such illegal business is transacted, to be recovered, in the name of the Commonwealth, either by an action of assumpsit or by foreign attachment, and shall be prohibited from doing business within this Commonwealth until such penalty is, or penalties are, fully paid. Any person violating the provisions of the first section of this act, or any person acting as agent, solicitor or local treasurer of any such association, company or corporation after its certificate authorizing it to do business within this Commonwealth has been revoked, and knowing that the same has been revoked, shall be guilty of a misde-

meanor; and upon conviction thereof shall be sentenced to pay a fine of not less than fifty dollars nor more than five hundred dollars, and upon conviction of a second offence shall be sentenced to pay a like fine and undergo an imprisonment not exceeding one year, or either, in the discretion of the court.

Approved—The 11th day of May, A. D. 1901.

WILLIAM A. STONE.

AN ACT

Conferring upon mutual savings fund or building and loan associations, now incorporated, or hereafter to be incorporated, the right to receive, in writing, bids of premiums for priority, and making valid all such bids heretofore accepted.

Section 1. Be it enacted, &c., That it shall be lawful for any mutual savings fund or building and loan association, now incorporated or hereafter to be incorporated, to receive bids of premium, or bonus, for the preference or priority of loan, in writing, whether from members, or from pesons who are not members, but intend to become such if loans are obtained by them, or to receive such bids from others duly authorized, in writing, by members or by persons intending to become such, so to bid: Provided, That such bids shall be received only in open meetings, as bids are now required by law to be received. And the directors of such associations may establish rules and regulations, not inconsistent herewith, for the receiving of such bids and the allotment of loans to the persons making or authorizing such bids; and all such bids heretofore accepted by any such association, and loans made thereon, are hereby confirmed and made valid; and no premium or bonus heretofore collected, or which may be hereafter payable on such loans, shall be deemed usurious by reason of the fact that any such bid was made or authorized in writing.

Section 2. All laws or parts of laws inconsistent with the provisions of this act are hereby repealed.

Approved—The 4th day of June, A. D. 1901.

WILLIAM A. STONE.

I have the honor to be,

Very respectfully,

FRANK REEDER,

Commissioner of Banking.
